FATWA WITH RESPECT TO ISLAMIC CORPORATE DEPOSIT PRODUCT

We, the undersigned, the scholars composing the National Bank of Fujairah PSC – Islamic Finance Division (“the Bank”) Shariah Supervisory Board (“SSB”) have been presented with the below mentioned structure and documents pertaining to the Islamic Corporate Deposit Product (“Product”) for our Shariah review and approval.

The Product is based on the Shariah concept of “Murabaha”. The Murabaha transaction will have two parts. The first part is a pure purchase and sale transaction whereby the Bank will buy, using the Corporate Customer’s funds, as agent for the Corporate Customer, a Shariah-compliant commodity. The Corporate Customer will then sell the same Shariah-compliant commodity to the Bank on a deferred payment basis. Thereafter, the Bank sells the same commodity to a third party and realizes cash proceeds from this sale. The sale price is fixed on the commencement of the deferred payment period for the entire tenure.

We have reviewed the following documents (“Documents”) in relation to the Product:

Islamic Corporate Deposit Product based on the Shariah Contract of Murabaha Tawarruq

1. Corporate Deposit Product Programme dated the 14th day of April 2014 and all attachments thereto namely:
 - 1.1 Master Murabaha Agreement
 - 1.2 Application form (incorporating Schedules of the Master Murabaha Agreement)
 - 1.3 Master Agency Agreement
 - 1.4 System specification document

Pursuant to our review of the above Documents, we are of the opinion that the Islamic Corporate Deposit product is in compliance with Shariah principles.

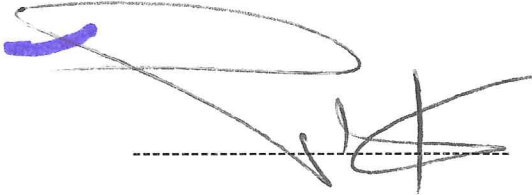

Allah Almighty knows best.
